The Honorable Henry M. Jackson
Chairman
Subcommittee on National Policy
Machinery
United States Senate
Washington 25, D. C.

Dear Senator Jackson:

In response to your request for a report on the national policy making machinery of the Soviet Union and Communist China, I am enclosing tentative outlines for your consideration. I suggest that it might be useful for the Subcommittee staff and representatives of the Agency to meet informally to discuss these outlines. In this way I believe we can produce the most useful report for the Subcommittee.

Your letter of August 5 has been received and I appreciate very much your desire to discuss with me some of your plans for the conduct of the study of the national policy machinery by the Subcommittee. It will be a pleasure to meet with you and discuss this subject. I shall await your call.

Sincerely,
